

Norreen Rahmat

about the artist

Born in 1983, Singapore

Currently studying in LaSalle Art College, majoring in Fine Arts Painting. Loves to deal with mixed mediums, collage and ink. When I do art, it deals a lot on the inner vision and reflections of this world and myself. My favorite Art genre would be Surrealism, Fantasy Arts and Illustrations. A lot of my works are also heavily influenced by my mood and frame of mind at that point of time.
