

# Tan Sue Ann

## about the artist

Tan Sue Ann finds a senseless addiction to drawing and painting everything and everything around her. She seeks beauty in a world that she sees in her eyes and aims to translate it in her work. Interested in all things feminine to her eye, be it ruffles, dresses, long hair especially, and the beauty of sad one-nesses, she creates little stories about her made characters. Some say it's who she is, some say that there is, in fact, a better world out there.
