## about the artist

Alexandra started learning photography at age of 18 at the LaSalle-SIA College of the Arts. Her favourite themes are architecture, trees, people and live performance. She has a sharp eye for strong compositions and fancies capturing the best forms at unique and edgy angles.

Being a performer herself, Alex witnessed many moments of interesting and characteristic expressions of musicians. Jazz in Singapore Collection is the compilation of these special moments of some of the best musicians in Singapore, while they were fully in their musical element. Like it.s subjects, Alexandra with her photographs, aim to inspire creativity, interest and support for jazz music in Singapore.
